ELDER GROCERY AND MEDICATION DELIVERIES

Elders urged to stay home and request for deliveries

As we continue to practice social distancing or self-isolation to combat the spread of COVID-19, ensuring that our most vulnerable continue to receive groceries or essential medications is a top priority of the Skidegate EOC.

We are therefore asking that our elders please refrain from collecting your own groceries from the store. The risk to yourself and others is too great.

We are asking family members who are feeling well and have no symptoms (cough, fever, sneezing, running nose) to designate a family member to check on their family and support them. If this is not an option, please call our EOC.

If you need groceries or medications delivered to your home, please contact the **Skidegate Health Centre: 250-559-4610** and leave a message. The message will reach **Kyle Marshall** who will assemble a team to respond. (Messages are being checked 9AM-2PM daily).
