UPDATE

This week OMVC villages have a **FIRE BAN** in place, until there is clearance from Fire Chief and Emergency Operations Director.

***We will post as soon as it is lifted**

The EOC, with Unified Command (All-Island Committee) is discussing the current State of Emergency and what it looks like for locals over the next month. Restrictions are still in place.

***We will update by the end of this week**

Non-resident travel to HG is still restricted to essential services.

Haw'aa. Stay Safe. Stay Physically Distanced. Stay Healthy.
