

HaiCo

February 7, 2017

In December 2016, HaiCo announced the opening of our first eco-lodge, Ocean House, to be located in Stads K'uns GawGa (Peel Inlet).

Unfortunately, due to the tight timelines to prepare for the upcoming season and our desire to further engage communities, provide training, and perfect our tour programming, **we will now be opening in the Spring of 2018.**

At this time, HaiCo will hire a fulltime Lodge Manager for Ocean House, who will learn our systems, lead the development of the programming, skills development and hiring, as well as marketing and sales.

To those of you who applied for positions with Ocean House, we will be contacting you to see if you would like to work at Westcoast Resorts for the 2017 season.

Please look for future updates on our community information sessions, programming, skills development and any other exciting opportunities with the Ocean House.
